Customer Comments

Here are some examples of what they've said about our
Control Room Consoles, Computer Furniture, Security Furniture & Medical Imaging Furniture

Looking for high quality, well designed, control room console - at a price you can afford?

"Industrial Quality! Large work and other features that meet our needs very well."
- Automation Technician, Thiele Kaolin; AbleVIEW ® mine hall control console

Looking for a showcase operator console furniture?

"I wanted a showcase control room installation. Your consoles are great!
I will refer your company to other Kraft facilities."
- Site Systems Manager, Kraft Foods; AbleVIEW ® 1-Tier control room consoles

Are you concerned about
the durability of your control console furniture investment?

Before install, "Lot's of oohs and aahs around here."
Later, "I wouldn't typically order something of this scale from an unknown vendor,
whose product I cannot see first hand. But the website was organized and offered tons of information;
contact persons were knowledgeable, available and communication was prompt and direct.
I hoped this would be the same quality I'd find in the product and I was right."
What did you like most? "Durable, application appropriate and modular."
- Senior Systems Engineer, Fiberweb, Inc; AbleVIEW ®DCS console with Panel Mounted Monitors

"Materials of construction are extremely good. I was surprised
by the weight of each unit... installation went smoothly - very straight forward."
"Your computer work stations look good!"
- Project Engineer, Systems Integrator; AbleVIEW ® operator consoles for drill platform in South China Sea

"The plant manager is delighted with the way the 3-tiered operator console turned out. He enjoys showing off our new control room to visitors."
- Engineering Manager, PCS Nitrogen; AbleVIEW ® control console installations

Do you like being
"pleasantly surprised" by your technical furniture vendor?

"We are pleased with the console furniture you provided for our control room upgrade.
They were heavier than we anticipated, and are definitely built to last!"
- Project Engineer, New Energy Corp. - Ethanol Plant with AbleVIEW ® consoles

"Thank you for your support. Once they arrived, everyone here took a look at them
and agreed; they totally blow what we used to use away!"
- Project Manager, Systems Integrator for Consolidated Coal; AbleVIEW ® 1-Tier consoles & Inlet Fans

"Everyboby was impressed with the consoles you provided. They look good!"
- Electrical Engineer, NutraSweet; AbleVIEW ® console with Monitor Risers
